The locally extrapolated exponential splitting scheme for
multi-dimensional nonlinear space-fractional Schrödinger equations

Numerical Algorithms

2011/08-2014/12

Abdul Khaliq

2006/09-2010/12

科研与学术工作经历：

主持或参加科研项目（课题）及人才计划项目情况：

省部级及以上项目：

其他项目：

2018-01 2019-12, 0

HX2019026

2019-04 2020-04, 15

代表性研究论文：
